Be patient toward all that is unsolved in your heart and
 try to love the questions themselves. Do not seek the
 answers that cannot be given you because you would not
 be able to live then and the point is to live everything.
 Live the questions now; perhaps you will gradually with-
 out noticing it live along some distant day in to the
 answers.

JUNIOR RING CEREMONY

You must learn day by day, year by year, to broaden your horizon. The more things you love, the more you are interested in, the more you enjoy, the more you are indignant about—the more you have left when anything happens.

Dear April

Good luck in your future years and especially now. Remember the trip to Trenton, Connie and whatever else you want to.

*A happy life consists in
tranquility of mind
—M. T. Cicero*

The memories of childhood have no order, and so I remember that never was there such a dame school as ours, so firm and kind of smelling of galoshes, with the sweet and fumbled music of the piano lessons drifting down from upstairs to the lonely schoolroom, where only the sometimes tearful wicked sat over undone sums, or to repeat a little crime — the pulling of a little girl's hair during geography, the sly shin kick under the table during English literature. Behind the school was a narrow lane where only the oldest and boldest threw pbbles at windows, scuffled and boasted, fibbed about their relations—

"Libra"

Dear April,
(Sunni's son)

This past year
has had a lot of char-
ges on all of us. Out of
these there was one charge
that was for the best
of us, and that was: We've
become closer friends. I
hope it lasts for many more
years to come. I wish you love,
luck and success in what ever
you do. Stay sweet, silly and that
crazy girl I know you as
for the young men to come.

P.S. B.J. might come
around ypt.

Keep on doing what
your doing.
